Dear Customer,

You have made an excellent decision in opting Rieter maschines.

Our after-sales service will do everything possible to make sure that you have no cause to regret your decision during the years to come.

Please use only original Rieter spare parts. These are always state-of-the-art and are your guarantee for first-class material and processing. Please also note that we offer no guarantee for damage to maschines if this is related to spare parts or retrofits that have not been obtained direct from us or through our authorised agents.

Notes on How to Use the Catalogue

In order to ensure rapid delivery of spare parts, please take note of the given general information.

Important information

In the spare parts list, under the column ?Comments?, you will find the marks P or G. On the drawings you will find the symbol with the ?eye?.

Tag	Meaning	Explanation
P	Recommended spare part	Preventive storage of the most important spare parts to ensure continued production in your plant is a risk you can calculate. For this reason we have marked the most important spare parts for your machine in the spare parts list with this code. Take advantage of our experience! On request, your Rieter Parts Service will be glad to let you have a quotation for these recommended parts.
G	Limited guarantee claim	Change the parts subject to normal wear and tear in time and carry out regular maintenance to insure that you can use your machine to its maximum capacity. As agreed in para. 12.5 of the General Conditions of Sale and Delivery, we refuse all claims under guarantee for damage due to continued use of worn out parts or faulty maintenance, and for the parts to be replaced that have worn out due to normal wear and tear.
110	Reference	Related parts to this assembly are found in chapter 110, among others.
Option	Reference	please find further material numbers for this catalogue number along with other parameters in the Options appendix.
L 001	Note	The catalogue No. to the left hand side of the machine e.g. L 001.
R 002	Note	The catalogue No. to the right hand side of the machine e.g. R 002.
